## WILSON EXPRESSES HIS CONFIDENCE IN COX IN PERSONAL LETTER TODAY

By Associated Press Leased Wire

Washington, Oct. 29.—President Wilson today wrote Governor Cox expressing his confidence in the Democratic presidential nominee.

The president expressed the hope that under Governor Cox's leadership "we may carry the policy of the national government forward along the path of liberal legislation and humane reform until the whole world again sees an illustration of the wholesome strength of democracy and the happy fruit of what the founders of the republic purposed when they set this great government up."

The president said he had followed Governor Cox' course throughout the campaign with admiration and expressed the belief that the governor would receive the "complete endorsement of the voters of the country."

"You have spoken truly and fearlessly about the great issues at stake," the president said, and in concluding his letter he asked that he be permitted to sign himself "your gratified and loyal supporter."

The letter of President Wilson to Governor Cox follows in full:

"29th of October, 1920.

"My Dear Governor Cox:—As the campaign approaches its climax, I want to give myself the pleasure of writing to say with what admiration I have followed your course throughout the campaign. You have spoken truly and fearlessly about the great issues at stake and I believe that you will receive the emphatic endorsement of the voters of the country. As those voters, and as one of your fellow citizens, I want to express my entire complete confidence in you and my confident hope that under your leadership we may carry the policy of the national government forward along the path of liberal legislation and humane reform until the whole world again sees an illustration of the wholesome strength of democracy and the happy fruit of what the founders of the republic purposed when they set this great government up.

"Allow me to sign myself, "Your gratified and loyal supporter, "WOODROW WILSON."

**DIXON ARTIST PAINTS GREAT ELKS MEMORIAL**

Picture By Ed Patrick Creates Favorable Criticism.

A memorial to the members of the Dixon lodge of Elks who served in the late world war has been unveiled at the club house and is attracting no small amount of most favorable comment. The memorial is unique and original in itself and represents many weeks of work.

Past Exalted Ruler Charles E. Miller during his term of office appointed a special committee consisting of Sam Bacharach, C. D. Anderson and Martin Gannon, to provide a suitable memorial for those members who had served in the late war. This committee decided upon an oil painting and the services of Ed Patrick of this city were secured to make the painting.

Mr. Patrick started his work on a canvas about eight by ten feet in dimensions last summer and has completed one of the most unique memorials in this locality.

The picture is staged in a woods, showing an Elk standing alert at the side of a large shaft of granite, upon which the names of those members of the lodge who served in the country's cause, are inscribed. A painting the size of this one, required many weeks of tireless work to complete and those who have viewed it have pronounced it perfect in every detail. The memorial has been hung in the hall way leading to the second floor. A system of electric reflectors have been installed about the heavy gold frame to illuminate the fine work of Dixon's artist.

## Henry M. Hand, Oil Promoter, Prospers

Many Dixon friends of Henry M. Hand, formerly of this city, will be happily interested in learning that he is prospering in the oil business, as a promoter in which he is now located in Tulsa, Okla. He has just succeeded in closing transactions which resulted in the organization of the Meridian Petroleum Co., with capital stock of \$25,000,000, involving about \$12,000,000 worth of production on present production, refineries and leases. The company estimates its annual income on present production will be over \$2,500,000. Mr. Hand recalls that the first money he ever earned was as a carrier boy for the Evening Telegraph.

**BIGGER SCHOOL REVENUE THEME TEACHERS' MEET**

**1200 Pedagogues Here to Discuss Educational Crisis.**

Increased school revenue for educational purposes was the theme of the annual one-day meeting of the Northwestern Illinois Teachers' Assn. held at the Methodist church today, which was attended by over 1200 teachers from this section of the state.

Asserting that the teachers and schools of Illinois are facing a crisis and that educational advance demands increased funds for teachers' salaries, buildings and equipment, boards of education and school directors having reached the legal limit, the convention planned to adopt strong resolutions and to send a monster petition to the Constitutional Convention and the state legislature to bring about increased school revenue for educational purposes.

**Public Meeting Tonight.**

A great public meeting, to which the people of Dixon are invited, will be held at the Methodist church this evening at 7:30 o'clock, the features to be a discussion of Industrial Education in Illinois by State Supt. of Industrial Education E. A. Wreidt, and an address on "The Soul of America and the American Teacher," by Dr. Frederick F. Shannon of Chicago. Dr. Shannon, who is in place of Dr. Frank Gonsaulus, comes as scheduled to speak, but who had a conflicting engagement. Dr. Shannon is the successor to Dr. Gonsaulus in one of Chicago's biggest churches, and is said to be a speaker of wonderful magnetism and ability.

**Morning Program**

The morning program of the session included a discussion by President F. R. Ritzman of DeKalb, an address on Taxation and School Revenues by Dean O. L. Manchester of the Illinois State Normal University, the Work of the Teachers' Assn. by Supt. L. O. Engleman of Decatur, and a discussion by Supt. C. H. LeVitt of Savanna.

**Afternoon Program**

The program for the afternoon session was:

The Modern Rural School—E. J. Tobin, Co. Supt. of Schools of Cook Co.

How Can We Induce a Larger Number of Young People to Enter the Teaching Profession?—Dr. J. Stanley Brown, President Northern Illinois State Normal.

Address—The Teacher and the School—Dr. J. L. McConaughy, President Knox College.

## County Teachers Complete Greatest Meeting Thursday

One of the most successful teachers institutes in the history of the Lee County Association closed a four day session at the Dixon high school building Thursday afternoon with a session for the meeting of 302. During the week some fine instruction was given by one of the strongest faculties ever assembled by County Supt. Miller, and pleasing special music was furnished by Mrs. Katherine Ballou, Mrs. Muriel Phelps, Mrs. Myrtle R. Bishop, H. P. Stearns, Robert Anderson and G. C. Lehman. Before adjournment the teachers adopted resolutions thanking the Dixon board of education for use of the high school building, the people of Dixon for receiving them into their homes for entertainment and all who assisted in the excellent program.

**All Invited to Hear McCormick**

Hon. Medill McCormick, U. S. Senator from Illinois, will address the people of this community at the circuit court room in the court house at 6 o'clock this evening. Senator McCormick has made a careful and earnest study of national and international issues and is well qualified to discuss all phases of the issues of the present campaign. Everyone is urged to attend this meeting.

**\$60,000 Diamond Robbery in St. Paul**

St. Paul, Minn., Oct. 29.—Three unmasked men held up a jewelry store in the downtown section here this morning and escaped with diamonds said to be worth \$60,000.

**DIXON CITIZENS RESPONDED WELL TO CITY'S CALL**

Excellent Provision is Made for Visiting Teachers.

Failure of the management of the Northwestern Teachers' Assn. to notify local officials and the Dixon Chamber of Commerce that the teachers from Rockford and Freeport were coming to Dixon on a special train this morning caused many Dixon housewives the inconvenience of preparing rooms and beds for teachers who did not arrive last night.

While in individual cases this may have caused inconvenience, the city may well feel gratified that the citizens were so patriotic in answering the call for rooms; and the Chamber of Commerce may feel satisfaction in having met the requirements of the call although the accommodations provided were not used in every case. Congratulations and thanks are also due the many auto owners who responded so generously with cars this afternoon to give the teachers an opportunity of seeing the residential parts of the city and the scenic features of the vicinity.

## I. C. C. COMMISSION STOPS SALE OF ANY GOODS FROM R.R. CARS

**Representative in Dixon Yesterday Stopped Practice Here.**

A representative of the Interstate Commerce Commission was in Dixon yesterday and while his stay was brief it was made very interesting to several commission dealers who had carload lots of apples and potatoes on the side tracks on River street. Today the cars which were yesterday filled with apples and potatoes, were emptied of their contents and turned over to the railroad companies, no fruit or vegetables being sold from the cars.

This action was the result of the visit of the Commission representative who enforced the rulings of that body. At this time of the year there is a continual demand for cars and a fine is imposed where cars are held longer than 48 hours. A practice has been followed by some dealers of bringing a car of fruit or vegetables into the city and disposing of the contents direct from the car. This will not be permitted by the local railroad officials in the future. Fruit and vegetables coming into Dixon must be unloaded within 48 hours or the car with its contents can be taken by the railroad company and the dealer subjected to a fine for disobedience of the rules. In the past a small demurrage charge has been made for cars held longer than the 48 hour limit, dealers taking advantage of this fact and holding the cars until their wares were disposed of, which some times required a week or ten days. This practice is now discontinued and incoming cars will be unloaded and no fruit or vegetables will be sold from the car.

## Elks Will Receive Election Returns

Election returns from all parts of the country will be received over a special wire for the convenience and accommodation of the members of the Dixon lodge of Elks next Tuesday evening. The special wire was installed today.

The members may spend the evening at the club and returns from all parts of the country will be received until midnight. Shortly after 10 o'clock the house committee will serve a luncheon in the dining room.

## Mother of Mrs. L. W. Miller is Dead

Mrs. J. E. Russell, mother of Mrs. L. W. Miller of this city, passed away at her home in Madelia, Minn., Tuesday, according to word received by Prof. Miller, who, because of the Lee County Teachers' Institute in Dixon this week, was unable to accompany his wife to Madelia when she was summoned. Interment took place today at Granite Falls, Minn.

**PILE OF ROCKS ON I. C. TRACKS TO BE SCHEMED**

**Had Greased Rails of S. D. & E. on Lord Hill Recently.**

The malicious practice of greasing the rails of the S. D. & E. railway west of Dixon led to the apprehension of four boys all under 15 years of age this morning by Sheriff Schoenholt. The track on Lord's hill, where the grade is both steep and dangerous, has been greased and some very narrow escapes from serious accidents averted.

The railway company officials have been conducting an investigation for several days and this morning a quartet of boys living in Swissville were apprehended for the offense. They were taken to the police station where they were questioned and all admitted having greased the rails on one occasion. Other arrests are expected this afternoon or tomorrow of another gang of older boys who have been practicing the same offense.

**Planned Train Wreck**

The quartet taken this morning were released temporarily upon promise to alter their conduct immediately. They were not discharged, however, being paroled, and upon being further implicated in any other offense, will be taken into the county court and sentenced to some of the state institutions.

With the arrest of the quartet this morning it was found that several boys a few nights ago had planned to wreck an Illinois Central train by piling rock between the rails on the right of way just north of the overhead crossing and the west limits of the city. The plan was frustrated when some of the smaller boys, members of the party, refused to assist and they disbanded.

## Revival Last Eve Was One of Best

The revival service at Grace church last evening was one of the best up to this time. Harry Morrow preached on "Full Salvation," and his sermon was well received. The illustrations showed many of the sins and faults of professing Christians. His descriptions of actual experiences were amusing and telling. He taught that it is our privilege to be saved from irritability and anger and every wrong spirit. The altar was filled with seekers for deliverance from these things.

This evening Rev. Morrow will preach on, "What shall it profit a man if he shall gain the whole world and lose his own soul?"

## Dixon People Will See McLean Picture

Several theatre parties have been planned for the "Jail Bird" picture in Sterling next week which features Douglas McLean, a former Dixon boy, son of Rev. McLean, former minister of the M. E. church of this city. Dorcas May is all seen in this picture.

**SUPT. REEDER, DIXON SCHOOLS, DIED THURSDAY**

**Long Illness Ended; Was Efficient School Man.**

John C. Reeder, superintendent of the Dixon public schools, passed away at the home of relatives in Chicago yesterday afternoon at 1 o'clock death resulting from a lingering illness of many weeks duration. The end was not entirely unexpected to those who were closely affiliated with Prof. Reeder, his health having been broken down materially during the summer months, taking him away from his duties and resulting in his confinement to his home.

Every attention was given him, but the disease which caused his death had gained rapid headway. About three weeks ago he was taken to the Hahnemann hospital in Chicago for treatment, but was there but a few days when he grew rapidly worse and was removed to the home of his wife's parents where death ended his suffering yesterday.

**Was Efficient Teacher**

Superintendent Reeder was one of the most popular and best liked men in the educational circles of the state, every pupil in the public schools of Dixon, the teachers and those closely affiliated with him in his daily walks of life, held him in the highest esteem. He came to Dixon this year on this fall accepting the superintendency of the newly consolidated school system. He had served in a like capacity in the schools at Hoopes-ton, Gilman, Pittsfield and Geneseo before coming to this city.

He was a graduate of the University of Illinois where he received the degree of Bachelor and Master of Arts in the educational department. Beside his wife and two children, he is survived by his parents and brothers and sisters residing at Arcola, Ill. At a late hour this afternoon, no word as to the funeral arrangements had been received here, but it is believed that the body will be taken to the home of his parents at Arcola, where funeral services will be held and burial will take place.

## Legion Team Plays Rochelle on Sunday

Next Sunday the American Legion football team will journey to Rochelle where they will clash with the Legion post team of that city. The Dixon post men have been practicing every evening this week and will conclude their work tonight and tomorrow in this conflict which it is believed will be one of the hottest contests of the entire season. The team will line up practically the same as last Sunday when the Camp Grant artillerymen were defeated. Schrock will be back of his position at end.

The team expect to leave about noon in automobiles for Rochelle and will be accompanied by a large following of fans from Dixon. Coach Dixon expects the hardest fought game of the season with the Rochelle post members and has been giving his men some strenuous workouts this week.

## U. S. W. V. Bazaar Tomorrow Evening

Members of the United Spanish War Veterans anticipate liberal patronage for their annual bazaar which will open tomorrow evening in Rosbrook hall, continuing all next week. The camp members will be in charge of the opening night. Mrs. M. E. Rice and a party of friends motored to Sterling last evening to attend the movie.

**Refuse to Let It Land at Dublin; Mourners Claim to Have Been Roughly Treated By the Police.**

Dublin, Oct. 29.—(By Associated Press.)—Over a bare catafalque in the pro-cathedral here this morning the venerable Archbishop Walsh celebrated a low requiem mass for the repose of the soul of the late Lord Mayor of Cork, Terence MacSwiney, whose body, unescorted save for a guard of English police, was at the same time proceeding across St. George's channel aboard the packet Rathmore towards Cork.

The relatives and other mourners who refused to accompany the body after it had been removed from the funeral train to the steamer by the police at Holyhead, Wales, last midnight, attending the services. They planned to go to Cork by a special train, leaving at 2 o'clock this afternoon.

**All Business Was Suspended.**

Dublin and the whole of southern Ireland were in mourning today with the tramways and other public services suspended and the hotels not serving meals. Many of the shops had steel front against the possibility of trouble.

By 10 o'clock the streets were well peopled, but there was no gathering except about the pro-Cathedral which was overflowing long before the services began. (Bill boards bore the legend:

"The Victor comes home."

The military were kept off the streets, only an occasional lorry hauling supplies giving evidence of their presence in the vicinity.

Cork, Oct. 29.—(By Associated Press.)—Because of resentment over the action of the government in changing the route by which the body of the late Lord Mayor McSwiney was brought to Ireland, the regular harbor pilots announced this morning that they would not aid in bringing the steamer Rathmore, bearing the body from Holyhead, into Cork. Similarly the Sinn Fein volunteers declared they would not take charge of the body until the arrival of members of the family late in the day.

The body, which ultimately was landed at Queenstown, was expected to arrive here by train this afternoon.

Business in Cork was at a standstill today, but the city was quiet, although considerable excitement and resentment over the government's action was in evidence. The military are making unusual preparations in connection with the plans for the funeral Sunday.

## REMAINS LANDED AT QUEENSTOWN.

Queenstown, Ireland, Oct. 29.—(By Associated Press.)—The body of Terence MacSwiney, the late Lord Mayor of Cork, was landed here today from the steamer Rathmore. It was received by the Urban council and thousands of the city's inhabitants. A draft of armed troops was present.

Business was completely suspended and strong indignation was expressed at the British government's action in diverting the body instead of allowing it to proceed to Cork by way of Dublin.

**SAYS MOURNERS WERE ABUSED.**

(By Associated Press Leased Wire.)

Dublin, Oct. 29.—Father Dominic, private chaplain to the late Lord Mayor MacSwiney of Cork in a statement today concerning last night's incident at Holyhead when British police and soldiers removed the body of Mayor MacSwiney from the funeral car and transferred it to the steam packet Rathmore, said:

"Police and military entered the mortuary van and forcibly ejected the relatives. Sean MacSwiney (John, brother of the Lord Mayor) was seized by the throat and put out. Mary MacSwiney was pushed out and fell. All the party were given rough treatment."

**Shipment of Body to Dublin Forbidden**

By Associated Press Leased Wire

Holyhead, Wales, Oct. 29.—(By Associated Press.)—When day broke this morning over the Irish sea, the steamer Rathmore, bearing the body of the late Terence MacSwiney, Lord Mayor of Cork, who died Monday in Brixton prison, London, was steaming southward off the Welsh headlands on its way to that city. At the same

hour, the relatives of MacSwiney, who refused to board the special steamer provided to take them and the Lord Mayor's body to Cork, were on their way to Dublin. The relatives left Holyhead at 2:20 o'clock, a little more than an hour after the Rathmore disappeared in the darkness which shrouded the coast.

The report was given by the president, Mrs. O. E. Strook, delegate from the local union. Mrs. Giesler conducted the devotional and Charles Conley delighted the audience with a vocal number, and he also gave a short address which was helpful. A nice way to bake potatoes is to rub the skins with butter or lard before putting them in the oven. After thoroughly scrubbing the vegetables rub the entire surface with butter, lard or bacon fryings. The skins will be thin and tender when done instead of hard and dry.

Those who like baked potato skins will find them even better prepared this way and those who don't like them may learn to. Really, the skin of a baked potato is delicious.

**LUNCHEON**—Creamed celery with poached eggs on toast, baked pears, cookies, tea.

**DINNER**—Beef boiled with cabbage, rice, potatoes, tomato salad, pumpkin pie, coffee.

## My Own Recipes.

As there are those who do not like corned beef or salt pork boiled for dinner, the cook may be glad to know that fresh beef is equally as good

cooked with cabbage. Choose a meaty, boneless piece of beef and allow three hours for cooking. Add the cabbage the last hour and a half.

## CREAMED CELERY WITH POACHED EGGS ON TOAST.

2 cups celery.  
2 cups milk.  
3 tablespoons butter.  
Salt and pepper.  
4 poached eggs.  
Toast.

The celery should be cut in inch pieces. Cook in boiling water, as little as possible, till tender. The water should be all cooked away and the little necessary should be added to the milk. Melt butter, stir in flour and slowly add milk, stirring constantly. Add celery and seasoning. Pour this mixture over slightly buttered pieces of toast. Drop a poached egg on each piece and serve very hot.

The Ladies Aid meets on Thursday Nov. 4 for its regular meeting. Everybody is welcomed to attend our services and to worship with us.

**HARMON LUTHERAN CHURCH**  
Rev. L. G. Krebs, Pastor  
Sunday afternoon brings us our special Reformation Day services. It marks the beginning of the Lutheran church. All Lutherans should be found commemorating this great event. Our services are as follows:  
Sunday school at 1:30 p. m.  
Topic: "How Jesus Ascended Into Heaven in order that He might be with us always."  
Afternoon worship at 2:30 p. m. Text: Ephesians 2:20. Theme: "The Church of the Reformation—The Restored Original Christian Church."  
The choir will sing the song "In the Cross of Christ I Glory."  
The Ladies Aid meets on Wednesday, Nov. 3, for its regular meeting. Everybody is welcomed at these services.

**FRANKLIN GROVE M. E. CHURCH**  
Rev. Warren Hutchinson, Pastor  
These opening Sundays of the new conference year are giving evidence of the new vision that is coming to our friends in attendance and personal interest manifest. A fine choir is getting back of the musical program. At a recent meeting of the official board action was taken for the re-arrangement of the Sunday school work so that the Primary Department could be brought upstairs. This will be a very great improvement on the old order, and much more pleasant for teachers and the children.

The regular services on next Sunday. At the morning hour the story-sermon prepared for the children, and the sermon theme: "The Opened Windows." Opportunity will be given for subscriptions to the Northwestern Christian Advocate. This paper ought to be in every home. At the evening hour the pastor will bring an illustrated message from the theme "God's Flowers." This will be a beautiful hour and we cordially invite the people of the community to spend it with us. As the beautiful flowers appear on the screen the beauty and glory of the Creator. His wonderful care for the creatures of His creation will be woven about them. It should be an hour when

our worship of God should be beautified, and vision lifted from the sordid things of time to the beautiful skies arched in blue about life's pathway. We covet a large hearing to the end that the life and faith of a large number of folks may be brightened and lifted up.

**Program at Elks' Club is Enjoyed**  
The Rich-Werno entertainers, the first number on the winter course provided for members of the Elks lodge and their families over 16 years of age, were heartily received last evening at the club hall. The big hall was filled and the program was one of the best that has been given at the club.  
The Misses Rich and Werno won the attention and admiration of their listeners from the very start and all regretted to see the program close even after many encore numbers had been responded to. The young ladies proved themselves to be entertainers in every respect. Their appearance marks the opening of a series of high class entertainment which has been booked for the winter months at the club for Elks and members of their families over 16 years of age.

**Fishing Schooners May Race Tomorrow**  
By Associated Press Leased Wire  
Halifax, N. S., Oct. 29.—Forecasts of rain and stiff southerly winds rendered uncertain early today the trial spin of the Gloucester fishing schooner Esperanto in preparation for her race with the Delaware Nova Scotia's entry, off this harbor tomorrow. The Delaware was scheduled to sail this morning from Lunenburg and was expected to be fanned into port here late this afternoon.  
The skippers of both craft announced that their vessels are in first-class condition for the contest. The course will not be selected until tomorrow morning when the committee will be guided in its decision by the prevailing weather conditions.  
Rufael Smith, representing the owners of the Esperanto, was granted the privilege of using a pilot who is acquainted with the harbor.  
The pilot will go on as one of the two guests allowed each ship. Elaborate arrangements have been made for keeping the course clear of spectator craft.

## SEVEN MAGNATES OF AMERICAN LEAGUE IN MEETING IN CHICAGO

### Peace or War in Baseball Circles to Be Determined.

By Associated Press Leased Wire  
Chicago, Oct. 29.—Headed by President B. B. Johnson of the American League, representatives of the Philadelphia, Washington, Cleveland, Detroit and St. Louis baseball clubs of the American League gathered here today to take up the proposal that the National baseball commission be abolished and control of the game be placed in the hands of a "civilian tribunal" of three men not financially interested in the game.

The result of the conference today was expected to determine whether professional baseball would go on smoothly, or be thrown into a factional war, with the New York, Chicago and Boston American League clubs on the one side and President Johnson and his "loyal five" on the other. The Lasker plan has been openly sponsored by the clubs first mentioned while President Johnson and the five American league clubs have withheld their support pending the outcome of the grand jury investigation into baseball gambling.

**Agreement or War**  
If President Johnson and his followers should at today's meeting refuse to meet with the other eleven clubs of the two major leagues, and consider the new governing proposition, then a baseball war is expected.

The eleven clubs supporting the Lasker plan have given the other club owners until next Monday to decide whether or not they will enter the new proposal or at least agree to meet with them and attempt to perfect an agreement whereby the game can be carried on smoothly.

President Johnson called today's meeting officially as a directors' meeting of the American League. Men prominent in baseball circles believed that the main topic of discussion would be the Lasker plan of reorganization.

**Look for Compromise**  
The sentiment prevailing in the meeting today seemed to signify that a peaceful ending would be the result. Baseball men said they believed that while there might be opposition to some points of the proposed plan of reorganization it was thought that the difference could be ironed out and a compromise effected.

Should, however, Johnson and his supporters decline to consider the proposal and the other eleven clubs make good their assertion that they would go ahead under the new plan with a 12-club league, adding another city, then court action may be the outcome.

**Cite Old Contract**  
Friends of Johnson pointed out that the American league clubs signed a twenty year contract in 1910, effective until 1930, provides that all the clubs must remain together and that for any one of them to join a new league would be in violation of the contract.

Although more than 60 minor league baseball men are said to have attached their signatures to the Lasker plan, President Tom Hickey of the American Association has announced that considerable opposition would spring up unless the minor league men could have a voice in the selection and paying of three men composing the proposed tribunal.

## PEOPLE'S COLUMN.

### THE MAYOR REPLIES.

Editor of The Telegraph:—My article on Socialists has drawn the fire of one who seldom exposes himself either as a citizen or soldier, to the fire of the enemy. Mr. Brooks prefers the Court to air his venom and abuse, where his victim is generally at a disadvantage, thus exposing his intellectual cowardice. The learned gentleman, with all his wisdom acquired by study of Webster, History, Blackstone and "Coke," does not seem to know the difference between "Nationalization" and "Naturalization." Making common property of, or making a citizen of, makes no difference in his innocent young life. Definitions are one thing and emptying, in many cases, another.

Socialism sounds harmless, and probably was in the time of Webster, as we see it practiced and as we know some Socialists—"that is something else again." I am not going to question Mr. Brooks' statistics as to the exact number of Socialists in the world, nor do I know how many "cooties" took warmth and sustenance from the bodies of our soldier boys. What are a few millions more or less?

Mr. Brooks in his pose as the savior or friend of the poor and oppressed, goes strong with them, but his dogmatic harangues and poses are "old stuff" with most of us.

Mr. Brooks' "war activities" are also known to most of us. Look up "her-

edity" in your Webster, Mr. Brooks. Mr. Brooks, in his drowning struggles, is ludicrous, as a fat man might be expected to be. Mr. Brooks does not believe that any Socialist sanctioned the bombing in Wall street. Evidently he is not at all times, in close touch with his flock. Mr. Brooks is an adept at preparing ammunition but is averse generally to exposing his precious person to the enemy's fire.

Mr. Brooks, in his defense of Mr. Owens, spoke with elation of the spread of Bolshevism throughout Europe and was sanguine of the early domination of our government by the Bolsheviks. As a leader of men, Mr. Brooks has succeeded admirably, having tried about all parties, finally landing where he belongs. God forbid that he switch to party of real influence. I want to apologize to some Socialists—I know that some are honest and sincere in their belief. They are not so well "Red" as is Mr. Brooks and are therefore innocent, his preaching not having really struck in.

Mr. Brooks in his war activities, broadly speaking, spoke with a "burr"—he being a "Benedict" will understand and be understood by us married men. In fact, Mr. Brooks is a sad dog; I am afraid, something of a "Wag" (Pennsylvania Dutch pronunciation). This will no doubt invite from you, Hiram, that stock expression. "The most ridiculous thing I ever heard of!"

I have enjoyed very much, Mr. Brooks, your work as a "literateur," such an "amusing cuss." Look out, Hiram, or Ring Lardner will get you

for using his copyright stuff, and you know what dire results might follow.

MARK D. SMITH.

### Patrons of S. D. E. Shiver and Shake

Passengers on the city street cars are unanimous in voicing their sentiment as to the need of stoves or some method of heating the rolling stock of the S. D. & E. street railway in this city. For the past few mornings, as the year nears the first of November, the cars have been anything but comfortable and in many instances the passengers have remained standing in preference to sitting down.

The cars are equipped with a hole in the roof for the stove pipe and all that is needed to add greatly to the comfort of the cars, is a stove and a fire in it, at least for a few hours during the morning and again in the evening.

### Miss Meppin Quits as Visiting Nurse

### Teacher Defendant in Charges Made By Mother of "Fighter"

By Associated Press Leased Wire  
Chicago, Oct. 29.—The practice of pupils in the Webster school, the school of 22 nationalities of settling their differences with fist fights under the supervision of the principal, was brought to the attention of the board of education today in a formal complaint filed against Miss Alice Hogge.

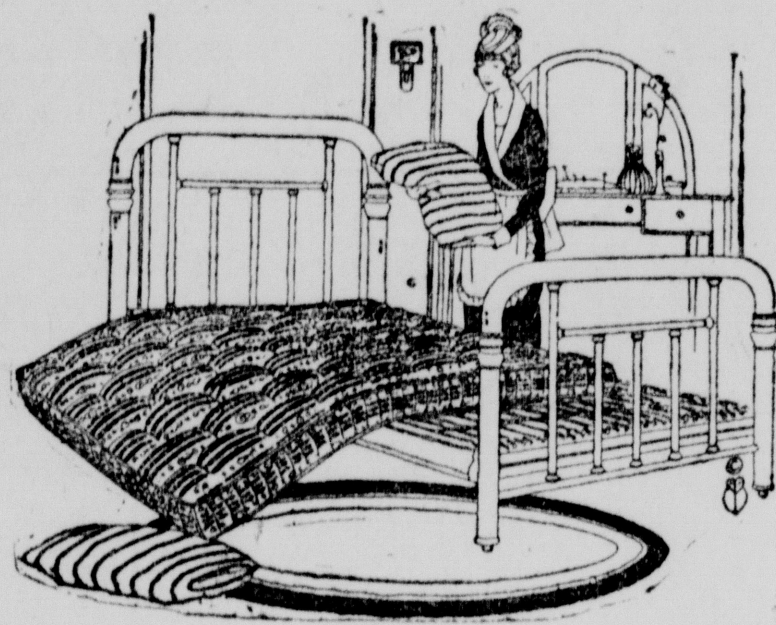

Mrs. Rose Selon, mother of Abe Selon, whose defeat at the hands of Salvatore Sortina in the school basement several days ago brought the custom to light, filed the charges asking Miss Hogge's removal.

In her affidavit Mrs. Selon in her charges objects to the fights countenanced by the school principle and alleges that in the fight between Abe and Salvatore the principal encouraged the Italian boy to "clean up" Abe.

# BRITISH TAKE MACSWINEY'S BODY FROM MOURNERS; PEOPLE RESENTFUL

(Continued from Page 1)

scene in which blows were struck and members of the Lord Mayor's family were dragged from their railway coach at the Holyhead railway station. They refused to consent to the government's plan to take the body to Cork instead of Dublin, and it was only after they had been placed under virtual temporary arrest that the body was taken from the train and hauled to the dock where the Rathmore was waiting.

The first stop after the train left Euston station was at Crewe where the party was handed a letter by a messenger. It was signed by Sir Hamar Greenwood, secretary for Ireland and was addressed to the widow of the late Lord Mayor. It read:

"Madam: I am advised that the landing and funeral of the Lord Mayor in Dublin may lead to a demonstration of political nature. I regret, therefore, the Irish government cannot allow the disembarkation of his remains at any other port in Ireland except his native city of Cork. In order to save you every inconvenience the government has directed the London and Northwestern Railway Co. to provide a suitable steamer to carry the remains direct to Cork from Holyhead. This steamer will also carry you and twenty of your friends, if you so desire."

Sir Hamar's letter was handed to John MacSwiney, brother of the late Lord Mayor, who demanded the superintendent's authority to obey the Irish secretary's orders, as he was under the jurisdiction of the Home office. The superintendent replied the Home office had given the Irish secretary authority in this instance.

Crowd Jeered and Boomed.

When the train arrived here near midnight, a cordon of police was formed around the platform entrance, keeping back a good sized crowd of curious persons who booed and jeered. Seventy-six "Black and Tans" formed on the platform and stood at "present arms" as the mourners passed along it. Mr. O'Brien, London executive of the Irish Self-Determination League, who represented the family on the funeral train, demanded that the station master fulfill the contract to carry the body to Cork by the way of Kingstown, a port near Dublin. A conference in the station master's office followed and that official was arranging for the transfer of the body and mourners by way of Kingstown when an official entered and said the superintendent of police wanted to speak with him.

## Catarrhal Deafness May Be Overcome

If you have Catarrhal Deafness or are even just a little hard of hearing or have head noises go to your druggist and get 1 ounce of Permin (double strength), and add to it 1/4 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Any one losing hearing or who has Catarrhal Deafness or head noises should give this prescription a trial.

### Drag Mourners Away.

The mourners refused to allow the porters to touch the casket, and a police officer ordered the former to leave the car. They declined and stables, who had been called, forcibly dragged some of the male mourners from the car; they struck at the police who drew their truncheons while women in the party shrieked:

"Body snatchers; shame."

They also fought the police who were ejecting them. The Misses MacSwiney claimed that during the melee the police knocked them down. The mourners were then herded to one side, the box was placed on a truck, and closely guarded by police. It was wheeled to the steamer. It was picked up by a crane and was silhouetted against the midnight sky for a moment as it was swung over the steamer's side. It was then lowered into the hold.

Members of the funeral party waited until the Rathmore had left her dock and then went to the pier from

Sybel's neck is round and adorably smooth and today she told me how to make the hollows disappear from my neck.

"A scrawny neck! I loathe the very thought, dear, for women need not allow hollows and bad lines to remain.
